Dear Reader!

For the first time, Berlin has claimed the top spot in the current ranking of the International Congress and Convention Association (ICCA). International organizations from around the world are increasingly choosing to meet in the German capital. They appreciate the modern hotel landscape, the numerous special venues, and also the city's unique role as a magnet for science, culture, and innovation.

The new Meeting Guide Berlin provides all event planners with an indispensable tool. Accessible at www.meetingguide.berlin, the online tool with around 300 entries makes it possible to find the right hotel, venue, incentive, and service partner – such as PCOs, DMCs, catering and technology companies, suppliers, or mobility partners – for your event in the city of Berlin. The Meeting Guide Berlin includes newly opened hotels like the Riu Plaza near the famous Kurfürstendamm, the 4-star Hotel Titanic Chaussee Berlin as well as modern conference centers like the CityCube Berlin and Estrel Berlin, Germany's biggest hotel.

The *visitBerlin* Berlin Convention Office is your first contact in the city. Established in 2001, the BCO offers comprehensive support for the organization of conventions, meetings, corporate events, and incentives in Berlin. Benefit from an experienced team, free-of-charge agency and reservation services for hotel allocations as well as a vast network of national and international contacts. Readers of the US magazine „Successful Meetings“ are convinced of the services and honored the BCO with a Pinnacle Award 2016 in the category “Convention Bureau International”.
